

Upgrade

your existing system
with iNTREPID's single
step crosslink

**iNTREPID
ORTHOPEDICS**

Single Step Crosslink

Single Step Crosslink

Upgrade your existing spinal rod system with a simple, one-step locking crosslink.

Everything is already done, except biomechanical testing with your system, which iNTREPID can do for you. Contact us for more details for licensing or acquiring this upgrade for your system.
